Lots 76:

There will be delivered out 800 Tickets, which will be Numbered from One to 8th Hundred, and there will be Three Tickets of one and the same Number, that is to say, there will be Three of the Number one, and three of number two, and so to one to 800: The first of which Number is given to the person that puts in his five shillings, The second of the same number, is put into a box to be drawn for the person, and the Third of the same Number remains in the Book, to compare the other two with, after the Adventure is drawn. As suppose in the Drawing this Adventure, Number 50 should come up with the 20th part, and the Person that hath that Number, going to the Person from whom he took out his Ticket, and comparing it with the Number that remains in the Book, will receive it, As you may perceive by the following cut, which is the Form of the Tickets delivered out.
